List of Editors and Contributors

Åke Blomqvist

A. Blomqvist taught at the University of Western Ontario until 2002. From 2002, until now, he has been Professor of the Economics Department at the National University of Singapore (NUS). He also served as the head of the department till February 2006. His two principal areas of research have been the economics of developing countries and the economics of health care. He has published articles in leading field journals in health economics namely *Journal of Health Economics*, *Journal of Public Economics*, and *Pharmacoeconomics*, as well as in several books, the most recent one being *Canadian Health Care in a Global Context* (C.D. Howe Institute Benefactors Lecture, 2002).

Cai Yongshun

Cai Yongshun teaches in the Division of Social Science at the Hong Kong University of Science & Technology and had previously taught at the NUS. He has researched on resistant movements of workers and peasants. He has published his papers in academic journals such as *China Quarterly* and *Political Science Quarterly*. Recently, his book has been published by RoutledgeCurzon.

Busakorn Chantasawat

Busakorn Chantasawat was a Visiting Research Fellow at the East Asian Institute (EAI) of the NUS. Her research focuses on trade and

foreign direct investment in China and their effects on China's growth as well as their impacts on other East Asian countries.

Jae Ho Chung

Jae Ho Chung is Professor and Chair of the Department of International Relations at Seoul National University, Korea. Professor Chung is also the Head of the Center for International Studies' China Area Program (CIS-CAP) and Coordinator for the Federation of Korean Industries' China Forum. He is the author of *Central Control and Local Discretion in China* (Oxford University Press, 2000) and *Between Ally and Partner: Korea-China Relations and the United States* (Columbia University Press, Forthcoming).

Howard Davies

Howard Davies is the Director of the London School of Economics and Political Science. Prior to his current appointment, he was the Chairman of the Financial Services Authority, UK's single financial regulator in 1998. Howard Davies had previously served for two years as Deputy Governor of the Bank of England and for three years as Director General of the Confederation of British Industry. He received his MA from Merton College, Oxford and MSc in Management Sciences from the Stanford Graduate School of Business, California.

Joseph Fewsmith

Joseph Fewsmith is a Professor of International Relations and Political Science as well as the Director of the East Asia Interdisciplinary Studies Program at Boston University. He is the author of *China Since Tiananmen* (Cambridge University Press, 2001), *Elite Politics in Contemporary China* (M.E. Sharpe, 2001), *The Dilemmas of Reform in China* (M.E. Sharpe, 1994), and *Party, State, and Local Elites in Republican China* (University of Hawaii Press, 1985). His articles have appeared in journals such as *Asian Survey*,

Comparative Studies in Society and History, *The China Journal*, *The China Quarterly*, *Current History*, and *Modern China*. He is also a research associate of the John King Fairbank Center for East Asian Studies at Harvard University.

K. C. Fung

K.C. Fung is a Professor of Economics at the University of California, Santa Cruz. He is also a Co-Founder of the Santa Cruz Center for International Economics (SCCIE). He was a Senior Staff Economist at the White House Council of Economic Advisers during the Bush and Clinton Administrations and had received a letter of commendation from the President. He was a consultant to the World Bank, the Asian Development Bank Institute and the WTO. He has also trained senior government officials from 31 countries on the economics and law of the WTO.

Edward Gu

Edward Gu is a Professor at the Institute of Social Policy and Public Policy, Beijing Normal University. Prior to this, he served as a Research Fellow at the East Asian Institute (EAI) of NUS for three years. He also assumed post-doctoral fellowships at Harvard University and the University of California (UC) at Berkeley. His publications have appeared in many international journals such as *Economy and Society*, *Development and Change*, *The Journal of Asian Studies*, and *The China Quarterly*.

Hsu Szu-chien

Dr. Hsu is an Assistant Research Fellow of the Institute of Political Science at Academia Sinica. He earned his M.A. and Ph.D. in Political Science from Columbia University. His research interests include Mainland China's political reform, China's "developmental state" in high-tech economic sectors, and cross-strait relations.

Hitomi Iizaka

Iizaka is Research Associate, University of California, Santa Cruz and Research Fellow of Hong Kong Institute of Economics and Business Strategy (HIEBS), University of Hong Kong.

Lai Hongyi

Dr. Lai has been a Research Fellow at the EAI since 2001. Having received his Ph.D. from the University of California at Los Angeles, Dr. Lai researches on China's political economy, regional development, and external policies. He has ten published or forthcoming peer-refereed English articles on journals such as *Modern China*, *Third World Quarterly*, *Issues & Studies*, *American Asian Review*, *Asian Journal of Political Science*, and *China Review*. His recent works include a book on politics under Hu Jintao—*Hu-Wen under Full Scrutiny (Hu Wen Quan Toushi)* (Hong Kong: Wenhua Yishu Chubanshe, 2005) and a forthcoming manuscript on China's reform strategy.

Li Cheng

Dr. Li is William R. Kenan Professor of Government at Hamilton College, New York and Non-resident Senior Fellow at the Brookings Institution in Washington, D.C. He is the author of *Rediscovering China: Dynamics and Dilemmas of Reform* (1997) and *China's Leaders: The New Generation* (2001) and the editor of the recently published book, *Bridging Minds across the Pacific: U.S.–China Educational Exchanges, 1978–2003* (2005). He is a member of the National Committee on U.S.–China Relations, a member of the U.S. National Committee of the Council for Security Cooperation in the Asia Pacific, and serves as a member of committees for several academic institutions.

Liang Ruobing

Dr. Liang completed his Doctoral Research on service industry at the School of Economics, Peking University. He has also researched

on geographic economics, regional economic development, and agricultural economics. Formerly a research associate at the EAI, he is now a post-doctoral fellow at the Center of China's Transnational Relations, Division of Social Science, Hong Kong University of Science and Technology.

Lye Liang Fook

Liang Fook Lye is a researcher at the EAI and has researched on China's central-local relations, technocratic leadership, political stability and legitimacy, and the mass media. He is also interested in China's relations with ASEAN. Liang Fook was part of the EAI research team that completed a study on the Suzhou Industrial Park—the flagship project between China and Singapore.

Peng Xizhe

Dr. Peng is currently a Professor of Population and Development and the Dean of the School of Social Development and Public Policy at Fudan University. He has been a member of the Population Advisory Committee of China's National Population and Family Planning Commission. Dr. Peng is Vice-Chairman of the Population Association of China. His research covers a wide range of population-related issues. He has written and edited 16 books and published more than 100 academic journal articles.

Alan Siu

A. Siu is Deputy Director of the Hong Kong Institute of Economics and Business Strategy and Associate Professor at the School of Economics and Finance of the University of Hong Kong.

Sarah Y. Tong

Dr. Tong is an Assistant Professor from the Department of Economics and Research Fellow at the EAI, NUS. Her research focuses on various issues on Chinese economy, including reforms

and transition, industrial structure, as well as trade and foreign investment.

John Wong

Professor Wong is Research Director of the East Asian Institute (EAI) of the NUS. He was formerly the Director of the Institute of East Asian Political Economy (IEAPE), Singapore (1990–1996) and had taught Economics at the University of Hong Kong (1966–1970) and later, at the NUS (1971–1990). He held visiting appointments with Harvard's Fairbank Center, Yale's Economic Growth Center, and Oxford's St. Anthony College. In 1996, he was the Chair of ASEAN studies at the University of Toronto. He also served as a consultant to many international organizations. He has written and edited over 18 books, and published numerous articles and papers on development of China and other East Asian economies in learned journals.

Wu Yanrui

Wu Yanrui is an Associate Professor at School of Economics and Commerce, University of Western Australia. He specializes in development economics, international trade and applied econometric modelling. He has researched and published extensively on the Chinese and Asian economies, productivity analysis, economic growth and international economics. He is the author of *Productive Performance in Chinese Enterprises* (Macmillan, 1996), *China's Consumer Revolution* (Edward Elgar Publishers, 1999), *The Macroeconomics of East Asian Growth* (Edward Elgar Publishers, 2002) and *China's Economic Growth* (RoutledgeCurzon, 2004).

You Ji

Dr. You is Senior Lecturer in School of Political Science, the University of New South. He has published widely on China's political, economic, military, and foreign affairs. He is author of *In Quest of High Tech Power: the Modernisation of China's Military in the*

1990s (1996); *China's Enterprise Reform* (1998), *The Armed Forces of China* (1999), as well as numerous articles. His recent works include "Nationalism, Defence Culture and The PLA", in Wang Shaoguang and Leong Liew (eds), *The Chinese Nationalism* (Routledge, 2004) and "China's Aircraft Carrier Ambitions", *The Naval War College Review*, Fall 2004 (with Ian Story).

Zhang Haibing

Zhang Haibing received her Ph.D. from Shanghai Academy of Social Science. Dr. Zhang is now the Deputy Director of the Department of World Economy Studies, Shanghai Institute for International Studies (SIIS).

Zhao Litao

Zhao Litao is a research fellow at East Asian Institute (EAI), NUS. He received his Ph.D. in sociology from Stanford University. His research interests include social stratification and mobility, economic sociology, and industrial relations. Currently, he is working on China's labor market reforms and labor market outcomes. He has published in *Research in Social Stratification and Mobility*. With Andrew G. Walder, he has co-authored a paper (Forthcoming) in the *China Quarterly*.

Zhao Quansheng

Zhao Quansheng is Professor and Division Director of Comparative and Regional Studies at the School of International Service at American University (AU) in Washington, DC, and Director of AU's Center for Asian Studies. Professor Zhao is Associate-in-Research at the Fairbank Center of Harvard University. A specialist in comparative politics and international relations focusing on East Asia, he is the author of *Interpreting Chinese Foreign Policy* (Oxford University Press) and *Japanese Policymaking* (Oxford University

Press/Praeger). His books have been translated into Chinese, Japanese, and Korean.

Zheng Yongnian

Zheng Yongnian is Professor and Head of Research at China Policy Institute, the University of Nottingham, United Kingdom. He is a co-editor of *China: An International Journal*. He studies China's political economy and external relations. His articles have been published in *Comparative Political Studies*, *Political Science Quarterly*, and *Third World Quarterly*. Zheng has also written ten books, including *Discovering Chinese Nationalism in China* (Cambridge, 1999) and *Globalization and State Transformation in China* (Cambridge, 2004). He has also co-edited 11 books on China. He was a consultant to United Nation Development Program on China's Rural Development and Democracy. He has been a columnist on China for *Hong Kong Economic Journal* for many years.

Zou Keyuan

Dr. Zou is a Senior Research Fellow at the EAI, NUS. His specialty is International Law and Chinese Law. He has published *Law of the Sea in East Asia* (London: Routledge, 2005), *China's Marine Legal System and the Law of the Sea* (The Hague: Martinus Nijhoff, 2005), and numerous refereed journal articles. He is a member of the Editorial Boards of the *International Journal of Marine and Coastal Law*, *Ocean Development and International Law*, and *Journal of International Wildlife Law and Policy*. He is also the Deputy Editor-in-Chief of the *Chinese Journal of International Law*.
