HISTOPHYSICS: A NEW DISCIPLINE

[*Mod. Phys. Lett. B*, Vol. 16, No. 30 (2002) 1163–1176]

LUI LAM

On p. 1165, line 12:

‘It is “easy” for present historians to second guess the works of past historians.’

should read as:

‘It is “easy” for present historians to second guess the acts of past historian players.’

And line 13:

‘The size of a water molecule is very small, about 10^{-8} centimeter ... ’

should read as:

‘The size of a water molecule is very small, about 10^{-8} centimeter ... ’

The correct year of publication for Ref. 6 is 1998, while the correct year for Ref. 35 is 2003.
