Published 10 October 2014

On the basis of a recent revelation by the first author of this article, Mr. Arun S. Prasad, to the corresponding author that the Mossbauer spectra shown in Figs. 2(a) and 3(b) of the above paper have been wrongly labeled; and they do not correspond to the samples studied in the article, the corresponding author requested the editorial board to withdraw the article. In addition, it was found that Dr. V. R. Reddy has been listed as one of the authors without his prior consent. Mr. Arun S. Prasad admitted that he is fully responsible for both the mistakes and tendered his unqualified apology to the corresponding author, and Dr. V. R. Reddy, as well as to the journal editorial board. In view of the above, the board has decided to retract the publication of this paper in *Modern Physics Letters B*.
