

## OPEN ACCESS LICENCE TO PUBLISH

In order to publish your article we need your agreement in writing to the terms that will apply to your choice of the World Scientific Open Access Option. This will enable World Scientific to disseminate your work to the fullest extent. This Licence to Publish must be signed and returned to World Scientific as soon as possible before the manuscript can be published. As the author(s) you will retain copyright in the article and grant World Scientific a license to publish the article and identify itself as the original publisher in all forms, in all languages and throughout the world; the online version will be available online immediately upon publication to readers free of charge and subject only to World Scientific's Open Access Licence, which is based on the [Creative Commons Licence](#).

Choose a suitable license from the list below.

**For funded articles, please check if your funding body requires any specific license.**

- CC BY** Creative Commons Attribution 4.0  
<http://creativecommons.org/licenses/by/4.0/>  
*Allows users to distribute, remix, tweak, and build upon your work, even commercially, as long as they credit you for the original creation. This is the most accommodating of licenses offered allowing maximum dissemination and use of licensed materials. Many funders, including cOAlition S, require this license.*
- CC BY-NC** Creative Commons Attribution - Non Commercial 4.0 International  
<https://creativecommons.org/licenses/by-nc/4.0/>  
*Allows users to distribute, remix, tweak, and build upon your work, as long as they credit you and the article is used for non-commercial purposes.*
- CC BY-NC-ND** Creative Commons Attribution - Non Commercial No Derivatives 4.0 International  
<https://creativecommons.org/licenses/by-nc-nd/4.0/>  
*The most restrictive of the Creative Commons main licenses, it only allows users to download your works and share them with others as long as they credit you, but they can't change them in any way or use them commercially.*
- Others:** Please state: \_\_\_\_\_

1. The Contributor(s) warrant(s) that:
  - a) the Article is original and has not been published in any other peer-reviewed journal, and does not infringe any existing copyright or any other third party rights and is not libelous or otherwise unlawful;
  - b) the Contributor(s) is/are the sole author(s) of the article and have full authority to enter into this Licence Agreement and in granting rights to World Scientific are not in breach of any contract or other obligation;
  - c) the Contributor(s) has/have taken due care to ensure the integrity of the Article. To my/our knowledge and current scientific knowledge all statements in it purporting to be facts are true and accurate.
2. The Contributor(s) explicitly reserve(s) copyright and all other intellectual property rights in the Article except as specifically provided in this Licence Agreement.
3. In consideration of the payment of the publication fee of \_\_\_\_\_, World Scientific will publish the Article online upon acceptance for publication and processing for publication, and provide access to all readers and users without charge or limitation subject only to the World Scientific Open Access Licence, and the Contributor(s) authorize World Scientific to use the same.
4. If the Contributor(s) has/have prepared the Article during the course of his/her/their employment or as a work made for hire, the employer reserves the right to make copies of the Article for its own internal use or for promotional purposes, and agrees to the terms of this Licence Agreement by signing the same.
5. If the Article was prepared under a U.S. Government contract, the U.S. Government may have the rights to reproduce all or part of the Article without charge and may authorize others to do so for U.S. Government official purposes. If the Article was prepared jointly with the U.S. Government and any Contributor is not a U.S. Government employee, or if it was not prepared as part of a Contributor's U.S. Government duties, then it shall not be considered a U.S. Government work.
6. Funding Agencies may have different requirements in order to comply with their open access requirements and authors are advised to check their funding conditions if in doubt.

This agreement should be signed by at least one of the Contributor(s) who acts as their authorized agent and agrees to inform other co-contributors the terms of this Licence Agreement.
